

# 38th Annual Northwest Econorun

## You're Invited!

Western Canada CORSA's members have been hard at work to make the 38<sup>th</sup> running of the NW Econorun a unique and unforgettable experience.

The Sunday morning Show 'n Shine is going to be right down in Victoria's Inner Harbour, in the midst of the spring bloom. The horseshoe shaped drive that leads up the steps of the Provincial Legislature will be filled with Corvairs. Belleville Street, directly in front of the Legislature, will also be closed off and reserved for yet more of our favourite waterless wonders. If you can imagine the picture above filled with Corvairs, (and only Corvairs) then you begin to get the idea.

To add further interest, several little birds have brought to our attention that there will be some very exceptional and "new" Corvairs in attendance. We think this is one of the most picturesque locations anywhere for a car display, and we hope you'll come to be a part of it.

Saturday promises to be a fun filled day as well. We're going to kick off with the Econorun. Victoria

is so pretty we just had to show it off. What better way than to go for a drive in your Corvair to see the sights! For the morning we've got an interesting drive planned that will allow everyone to measure their gas mileage over the same distance. It's *not* a challenging "rally" type event; every effort has been made to keep the route simple and safe.

Saturday night we've got a fantastic room booked for the banquet, all the way into the wee hours. Following the banquet, "Mad Mike" is going to Emcee a most unique Corvair based game show. We promise, the game show will be unlike any you've seen before! Afterwards there will be a presentation of some rare and not often seen Corvair related video. All, of course, while discussing your Class victory in the Econorun over a cold beverage with old and new friends.

These rates are secured until April 6<sup>th</sup>.

## T-shirts

A re-issue of the popular "Pin Up Girl" T-shirt. The original inspiration came to "Mad Mike" from an original 1961 Lakewood ad

From new artist (and Corvair owner) Sean Waring, this unique graphic is a one off design to celebrate Victoria and the Econorun.
